Perkumpulan Ahli & Dosen Republik Indonesia (ADRI), and all universities that signed the MoU are mutually interested in exploring cooperation in the fields of education, research and cultural exchange. All universities will develop programs and activities of cooperation between their students, faculty members, departments and research institutes under the provisions of this memorandum.

The possible programs and activities may include:

- 1) Development of joint courses and education programs.
- 2) Exchange of graduate and undergraduate students for study and research.
- 3) Exchange professors and researchers for researches, lectures and discussions.
- 4) Exchange of information including the exchange of library materials and researches.
- 5) Joint in the management and publication of the journals.
- 6) Joint conferences, seminars and workshops.
- 7) Joint student activities.
- 8) Joint use equipments, facilities and resources.

The detail of all activities, including new suggestions that are not reflected in this memorandum, may be proposed and implemented on the basis of understandings to be signed by both institutions.

This Memorandum of Understanding may be amended at any time by mutual consent and will be effective for a period of five years commencing from the date of signature, it will automatically be extended for another five years unless one of the institutions seeks to terminate it through by written notice one years prior to expiry.

Signed in West Sumatera, Indonesia.
